## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it's one of my dreams. And hopefully the main one. This is because it is the linking way or bridge for my future career and my childhood. Through the IIT, I want to excel in my life. I want to do something new or innovative for the country and the people all over or to mankind. And this is the best way to complete or fulfill my dream because it provides a vast area of knowledge. I also want to join an IIT as it is the best Institute of the country. The facilities here are wonderful. As the govt. has invested a lot of money for me through the NVS system, so, I want to pay it back. And these will be fulfilled through a chance in the IITs. And main thing is that I want to be an IITian.
