The most graceful happiness ever on the face of my parents, brother-sister, relatives and mine is because of Dakshana foundation only. My parents were dreaming me as a engineer but economical problems break down them. But now their dreams becoming real because of only Dakshana Foundation.

I was also dreaming of an IITian. But I was thinking that I have no that much potential to reach up to IIT. When this thought was coming in my mind I was feeling that I have to study more and more. But I was not getting a study environment for the increasing of my potential. And if I was starting study with freshness and it not remain constant even for one day. Days were passing useless and my parents were dreaming. And one day our Principal told us that we were going to appear for Dakshana Scholar's examination. At that instant by listening my name for examination I became overwhelmed, because I was very knowledgeable about Dakshana Foundation. Because of experiences of previous Dakshana Scholars of my school.

The Dakshana scholar's exam was not away more than three days. Principal informed us on Wednesday afternoon and exam was on Sunday, just three days ahead. At that time I decided for prepare it. I decided that anyhow I should/must prepare for examination within this very short period. I decided to bunk my regular class periods. My friends also give me suggestion for that even it was not good but they and as well as I was knowing it was a golden opportunity I have ever got. and there was no any chance after this I will get any opportunity to be an IITian.

Continuously for three days I bunk the periods and prepared for examination that helps me lot in my examination hall. When paper was over I was sure that I will be selected. I was waiting for my result but waiting for lot of days I am not get it. Then I thought that I got fail. I was becoming nervous and nervous for my aim. But one day afternoon period I was noising with my friends at the instant Principal entered our class. Had a short talk he pointed towards me. I was caught by tremounds fear. I thought Principal is going to hit me because I was noising. But he gives me that sweet news. At that instant, at first I realised my parents happy face.

Now, I am here taking regular coaching of IIT-preparation. I am remembering my parents, brother's, sister's and relatives' happy bright face that was created by only because of Dakshana Foundation.

Now I am feeling that I am somehow special in thousands of students. I am always trying to keep smile and bright face of those all that are expecting lot more from me.

Sometime I get annoyed and stop studying but very soon time the bright and most happy faces of those people appeared before me and I get starting for study.

The Sunday of April 2011 will be my life's most affecting day, because it is my life's very turning point and that will affect the whole course of my life.

As a Dakshana scholar I am very proud of mine and my parents. Now I am only selected for coaching but I am thinking that I have selected for IIT. Because I have sure that definitely I will be selected to IIT.

In the future life, as I will be anywhere in the world with very proud I will say that "I am here because only of Dakshana Foundation!"

Very Thankingly!

Mr. MADHUKAR
