I want to complete my family's dream because my father is farmer and it is not possible for me studied in private school or coaching centre because fees of such institute is so high & it is not possible to pay by my family. So I'd like to become a dakshana scholar because dakshana gives opportunity to poor student who cannot studied because of fees. & dakshana is very nice Institute for me & another poor student. Dakshana's Result for IIT is also best in our India. Along this Dakshana give financial support because in Now-day's life it is not to easy to pay private coaching fees.

I am Interested in math & science from 5th class & I decided that one day I become a perfect man who fulfil his family's wishes. I see my father & other family's member doing very hard work. but they only earn a very low money & I know that Education is a most powerful weapon to eradicate poverty and I think that one day I completed

my dream & also my parents proud on me. So i Join the Dakshana.

In Dakshana coaching I got a Inv bundi as a coaching centre & It is very good coaching location here coaching is provided by India's very best coaching centre "Resonance". So it is my good luck that I qualify dakshana's examination & selected for this education. It is very Hopeful moment for me & my parents because I didn't think that one day I meet ~~th~~ all topper student & coached by such best Institute.
