To become an IITian I want to highlight my parents name and they also proud on me. I want to doing my best for our country. In India very few people are their who work for our country. They are work for own and own family. I want also want to doing work for our family and own but as well as I want to create a beautiful thing for our country. I am become a Dakshana Scholar so I hopefully attend IIT because this was fantastic chance for us. People like such people who was poor and belong to lower cast this was their pathway or first step toward their destination. We are very

lucky that we are selected for Dakshana

we have prove our talent. This gives top  
position in society. And this things are
