Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I think that it is a good institute for IIT coaching.

My other senior Dakshana scholars told that it is best for IIT foundation. I have a keen desire to become a good and suitable Engineer.

I do not belong to a rich family. If I would not be able to become a Dakshana scholar, it would be painful for me. After attending the class I felt very happy.

Now, I am sure that I will be able to cross my IIT Entrance Exam. After crossing the entrance exam I will take Computer Science branch. It will be suitable for me. I am thinking that at that time Dakshana is a best institute for IIT preparation. It will totally help me. There are extra experience teachers.

They teach me very well. All the problems are solved by them. One great reason to attend dakshana because it was very difficult for my school to become a dakshana scholars. It would be very admirable for me. So if god will help me and my hard-working along with my luck then I am sure that I will get my success.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
