## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I have the dream to crack IIT and to become an engineer. My parents have a lot of expectations from me and I have a strong desire to fulfil their and my dreams. Being a Dakshana Scholar, it can be done easily but with hard work.

Dakshana Foundation is the unique organisation for the students of Navodaya Vidyalayas. They attend the coaching for JEE without any fees.

Before being selected in Dakshana, I always wanted to be select in this organisation.

Now, I am hopeful very much and I will do hard work at my studies to become an IITian but the support of teachers and the organisation is always unique and necessary.

During these two years,

by hard work and with practice of questions, confidence will be developed automatically.

During this course of time, and in JEE main & Advanced, I will try to do my best.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
