## **The Dakshana Foundation Application to Become a Dakshana Scholar**

The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I heard the good and benefits to study in Dakshana coaching and also the experience gain from it. They are giving IIT-JEE Coaching in a most appropriate way and this is the best way to achieve and fulfill my dream IIT.

IIT is the only dream and aim for of me. I strongly want to attend IIT because I want to become a famous and good mechanical engineer in my future life. Dakshana foundation gives a high and good coaching of IIT-JEE. I want to take the opportunity of attending this coaching and also want to develop the logic from that. It will help me a lot. I think so. I hope that this is the easiest and best way for me to have in IIT.

Also I heard that to clear the IIT-JEE Mains & Advanced is a very tough one and a lot number of students in our country are struggling for IIT mainly to clear the Advanced. But Dakshana Foundation gives the right and many easier way for that by good coaching and many extra reference books also. From the coaching also, teachers are not only teaching the syllabus and also help and give right way to develop the logic thinking in our mind. This is very necessary for me and other also who are willingly want to clear that exams.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
