Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because My father dreamed that I became an I.A.S. And He wanted that I would do this work with Art stream.

But It was my dream to become a student of science stream. and I wanted to

do this duty in my style. when I studied in 5th class. A student, cracked or passed out

IIT competition. And he tell me about the smootness and personality of IITians.

Really he was first some and issome now.

So I ^{have} decided that I will pass out the

IIT competition and As IITians are many in India. I wants to pass out the IIT

with AIR less than 10. I wants to come in

top tens of IIT qualifiers and then After, completing IIT I will prepare for I.A.S.

And I hopes that in security and shading

of Dakshana foundation I will complete

mine and my father's dream. And then

I wants to serve to my country in same manner as Dakshana does.
