The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. TRIPURARI KUMAR

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because Dakshana foundation provides a great opportunity to crack IIT-JEE. This foundation is very good platform to enter in IIT. I want to become a very good engineer. My aim is to get into iit jee to become an engineer because IIT really produce a very good and excellent engineer at international level. Dakshana foundation is a very helpful organisation for the student who want to become an IITian and for those student who is not eligible in the case of money to take a proper coaching for the preparation of IITJEE. This is very helpful for that talented student who want to become an IITian and can't expand his talent due to the lack of money. I am proud to be a Dakshana scholar and must be an IITian. Without Dakshana I can't get proper coaching for IITJEE and these type of great facilities to crack IITJEE. I am very lucky because as a Dakshana scholar I am taking a good coaching for IITJEE in the guidance of very good faculties of Resonance institute.

I think that nothing is impossible in this world because 'impossible' itself says that I am possible.

My family is very poor. So, I want to go in IITJEE to become a very good engineer that's why I can help my family and ~~make~~^{to keep} our family happy.

Due to extraordinary result of Dakshana foundation every student wants to be a Dakshana scholar but only some intelligent students are selected for this type of facilities.

I can crack IITJEE under the proper guidance of Dakshana. After being the Dakshana scholar a lot of expectation from my parents teacher and others always provide energy to labour hard. Now, I am a Dakshana scholar I am very happy after selected for this type of coaching. Now, I must crack IITJEE and get into IITJEE college. Now, I can become an engineer. So, I ~~th~~ will labour hard to crack JEE. So, to become an IITian I will labour hard. Thanks
