The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because _____

I want to become a successful engineer because this is my aim and I like the maths most and in maths engineering is the most valued way to get success but to become an engineer, I have to qualify the IIT and for this the Dakshana Institute is the best. Because it is an Institute connected with a successful branch of Education Jawahar Navodaya Vidyalaya and TNVs appreciate the villagers as well as city persons to educate their children. The Coachings of IIT - JEE's are not only difficult but expensive also. And it is not compulsory that the staff members in all coaching classes are well-knowledge in their subjects but the Dakshana is same as Navodaya and have well-knowledge and qualified teachers. Dakshana Institute gives the students the way to find their success in life and become a successful person. It appreciates the talented students. If I cross the GDST then, it is the first step of mine towards my successive aim.

And this is not only my dream these are the expectations of my family from me. I want to fulfill the expectation. So many students waste their 1 or 2 yrs for IIT coaching and if they study with 11th and 12th class in other institute then it is almost known that they disturb their mind with high studies and lot of tension. But the Dakshana is not same as other institute it provides IIT-JEE coaching + 11th & 12th studies without any pressure or tension. That's why I want to be a dakshana scholar and attend the IIT

Thank you
