Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I live in Dumchipara T.G, which is very backward area. There is no much facilities in our place as compared to other villages. I only dreamt that one day I will reach to IIT and will come out, becoming an engineer. I will help my area to become a well facilitated area.

Now I have got an platform which can fulfill my all dream and ambition. The platform is Dakshana Foundation. I have never heard about it before. I too have never heard about Navodaya also, before joining it. But now I can realize that yes! there is someone to fulfill the hidden dreams. I am very much grateful to Navodaya that prepared me to become a Dakshana Scholar. When I heard about it, I fully decided to become a Dakshana Scholar as I got a diamond chance to get my destination. Now I can do those things which will be first from our village. I will never let this chance to go from my hand. I will never give a chance to Dakshana for regret or, I will never break

Dakshana's belief in me and will give my 100% best. I too heard that with the help of Dakshana I can go to IIT & can go to abroad. For which I will try my level best, If I was asked to answer in one sentence, why I wanted to become a Dakshana Scholar? then the reply will be "because I actually want to know who am I? when I will able to know I will show to whole world. This is enable only because of Dakshana Foundation. I can't say my feelings towards Dakshana. It is incredible. I want to say thanks to all even my childhood teachers that tried best on me to achieve it. Now I see my way to Dax's destination and Dakshana had made it clear. Now I will show to Dakshana by walking on it safely. I got chance to do those works, those things and I can get those achievements that I have thought only in my dream. That is all about why I am feeling very lucky to become a Dakshana Scholar.
