The decision of Dakshana in this regard is final.

I'd like to become a Dakshana Scholar and hopefully attend IIT because from the  
beginning of my life. I have faced many problem  
regawarding Study.

When I hear the Story of Successful person or  
Personality. Our parents only told us Story of  
their achievement. not <sup>about</sup> their hardwork, the  
path they have to go through to achieve their  
Dream. But ever in my life I have not hear  
about ~~how~~ the pain, the gratitude, the consequence  
they have faced ~~to~~ to make their Destiny Hispricely

personally, I really want to feel that pain &  
the happy ~~where~~ <sup>we</sup> will feel after we will ~~reach~~ <sup>see</sup> our  
Dream. to become a Successful one.

The above Story which I told is about problem  
and their consequences. And we have a short life.

So all problem cannot be faced alone. All  
have to be ~~also~~ learn from the mistake of other.

And

After listening many things about IITians, One thing is clear from that the IITians ~~are~~ have not only rich IQ, but they have the potential to work hard & give their best output to every Institution./field.

For, only that reason why I want to become IITian.
