Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to become a successful engineer and serve our country. and I know that Dakshana foundation provides a very sophisticated training to the Dakshana scholar. Further I know that to pass in IIT-JEE exam a ~~very~~ very high level training is needed. But my family economic background is not so much that I can join any training programme. But the Dakshana foundation provides totally free training to the selected students. So I want to become a Dakshana scholar. Further previous records of this training programme is very good. and thus I found that it can help me in improving my knowledge. Further if one get selected in IIT, he is very likely to get a platform to success in his life. These are the various reasons that is why I want to become a Dakshana Scholar and hopefully attend the IIT.
