Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I belong to a poor family. In my village, people mostly not aware about such institution, but I feel so lucky that I am going to attend a test to become a dakshana scholar. It is my maths faculty of my school who guide me for it. To become a IITian, was a only dream for me, but after knowing about dakshana institution, I felt very happy & thankful. As I stated first that I am not from well-to-do family, so I & my father can never afford the coaching fees for IIT-JEE. By doing hard work I want to pass the selection test of Dakshana. Initially, I don't know anything about dakshana, but my teacher told me about dakshana foundation. She told me that more than 50% of IIT Dakshana's scholars are selected in IIT-JEE every year and it is very nice institution and specially for poor talent of India.

In this world of dreams, I also have a dream to crack IIT-JEE in first attempt. But I know very well it need very hard work and proper guidance. and it is only Dakshana institute, who make me able for it. So, Dakshana is chance for me, and also key of my success.

[Success is not a journey,  
It's a Destination.]

And for me Dakshana is only focus for it.

Thank you,
