Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to crack the IIT. because it was my deep desire to become an IITian and its no so easier when i was ~~not~~ studying in village school. i want to clear the JEE in first attempt. when i came to Navodaya in vith class. i heard about Dakshana foundation and its benefits about the free coaching for and much more. The main advantage is that these all faculty will provide you for free. because i am not rich student. It is not possible that my father can spend . lakh of rupees for my coaching institution from another private coaching institute. so i got awakened and get inspired from another students of my school, those who are IITian with the help of DAKSHANA institute. And Dakshana is a well known coaching foundation

over all india.

I was not so good at studies in sixth class. But from Dakshana foundation I got inspired and concentrated on my studies. By my hardwork and determination I have lots of expectations. I want to fulfil my dreams with dakshana foundation. It is hereby known by me that Dakshana is the most successful institution for IIT JEE as it approved 66% students to IIT JEE 2013 this year. Teachers and other guidance staff are so good.

I pledged that I will become a IIT-ian from Dakshana foundation.
