The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and school staff interviews, peer, neighbours, school alumni and direct verifications. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana scholar and /or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) Between 300 - 500 words which begins with

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because becoming engineer is something more than ~~a~~ way to earn money for me. We all know that every one has a spare time activity that gives him pleasure and peace. ~~Open~~ Operating things and trying to repair them though unsuccessful is something that i call my passion. i don't know why but it is the only thing which resolves my emotions. Through dakshana i can go and attend engineering college. As many knows it is one of the best platform through which i can catch the train which will lead me towards my destination, my passion, my aim. i.e. IIT-mechanical Engineers. Through dakshana i can not only fulfil my dream of being IITian but also be a part of such a ~~too~~ very budge family. Perhaps. i may also help public figures like Manish sir in fulfilling their dream of sending 2020 students in IIT-s in 2020. Dakshana is an eminently conducted and operated foundation which helps people like me. Dakshana provides me with coaching helps and with books

without charging. Being a dakshana scholar is a matter of pride for me as i can proudly say that i am qualified from the qualifiers.

The success rate of dakshana is much more when compared to the natives. Hopefully i will be also one of the students who will qualify JEE-Advance 2019 & will have a shining name behind me, (dakshana).

According to mantra of dakshana that is, "If you give a man ^{fish} to eat, you feed him for one day, but if you train him how to catch fish you feed him for whole life".

I believe that similarly dakshana will train me to get my desired branch in IIT and will have trained me to earn for my living & perform the task i love.

If i become a dakshana scholar i will help my society and my nation to progress.
