I'd like to become a Dakshana Scholar and hopefully attend IIT because I have an interest in mathematics and my aim is also to become a good engineer. IIT is the one of the best institute in India. IIT has its own reputation in all over world. There are so many scops after taking ~~coe~~ coaching in IIT. Most of the students have an aim to become IITian. All also have same and I will do work hard for it but coaching is also necessary to get good rank in IIT-JEE exam. There are so many institute in India who ~~ga~~ gives coaching for IIT-JEE but the fee of these institutes is very high and a common family cannot afford it. My family is also relate to a common family ~~but~~ and ~~the~~ the fee of coaching ~~institutes~~ institutes. Dakshana foundation held a exam for ~~selection~~ students and those students get coaching for IIT-JEE. I was also selected for

dakshana

coaching and I want to become a Dakshana Scholar. It is a good opportunity to me for taking coaching for IIT-JEE. So I will work hard for it for my aim.

All students have a goal in his life and a good student is always trying to achieve his goal. Those who are having a dream to become a IITian first step for them to pass the IIT-JEE exam and also get a good All India Rank. To fight IIT-JEE coaching is also an important factor. Dakshana foundation gives an opportunity to some students. I also get an opportunity and I ~~also~~ also want to attend IIT. I will try to use this opportunity and I will be also thankful to Dakshana for giving an opportunity and I will do work hard for my aim.
