Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I belongs
to a very simple family that cannot afford
required money to get into the private institutions
which gives teaching for IIT. I am a Navodayan
and Dakshana is the partner of it so I think
that I'll be adapted soon in a JNV Condition
in which I've experience to live. From earlier
my only aim was is to get into IIT college to
become good engineer and to serve the nation.
For good IIT college, all know that, a lot of
dedication, hard & proper work with excellent
guidance is required. Every Year I've heard
the good results of dakshana scholars, which
shows that it have everything different than
normal institutes. Dakshana provides free coachings
and books for scholars that make their (scholar)
money problems immeterial. and they peacefully
gets trained for IIT. That's why I want to
become a dakshana scholar. Here the seniors,
classmates and the teachers of coaching partner
are fully helpful for the scholars. With the bless
of Dakshana Institution, In the guidance of Dakshana

fellows (like Vishnu bhaiya), and experienced teachers, with the help of our seniors and classmates and by proper hard & smart work of myself, I hope that I will achieve a good rank in IIT JEE 2018. The name of Dakshana is the name of Confidence.!

Thanks!
