The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institution. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NIS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar.

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because everybody has a goal, many people wants to crack IIT but due to some reasons they are not able to crack it. And I don't want to become one of them. I want to face examination of IIT JEE with full of preparation, and I think it is possible only by becoming a Dakshana Scholar. Because it gives students free of cost IIT coaching, which is very-very useful. Nowadays if we have to take IIT coaching, we have to spent two to three lakh which is not possible for everybody. I think Dakshana Foundation is very good opportunity for every person who want to crack IIT. I think Dakshana scholar, is my first step towards IIT. And I am sure Dakshana Foundation will make me able for facing every

steps of IIT easily. I want to qualify IIT in first attempt and with good rank. In my childhood I used to think that it is very easy to become an engineer but when I grow up I came to know that it is very hard. I want to become a successful honest engineer & topmost engineer of our country. When I think about how tough competition there is in IIT. Then I get disappointed... that can I crack the IIT JEE. By becoming Dakshana scholar I can believe in that I can crack IIT JEE. I try my level best for cracking IIT. And I think my little bit try and effort with Dakshana foundation coaching make my future bright like platinum & gold. I want to become a Dakshana scholar because it ^{will} make my dream true.
