The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it is the one of the most authorised institution of our Country that confers a environment of study which results in grand success for the student and for the country. It creates talent which is better for improving technology of our country. It is the most privileged institution. I have always wished to make India a power in technological field and IIT JEE is the most favourable way to accomplish the dream what I have thought. And also I am to get a better placement so as to make my family situation better and also of poor section of Society who are far away from the main stream of our society so that they can bring themselves to the main stream of our society and become eligible to use facilities provided by government.

I am thankful to Dakshana foundation whose has conferred an opportunity to make my dream true. Perhaps if dakshana would not

be there then I would not be able to afford the costly coaching fee for preparation of IIT JEE. Thanks Dakshana!
