The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it is the best way of achieving the goal of becoming a doctor. Since my childhood I have been attracted by many natural phenomenon. I am specially interested in the living world and want to know about them as much as I can. Living world seems to me to be wonderful. As I see the development in the field of science, it appears to me that several things have been discovered which made the world more healthier than earlier. Even today, many more new discoveries and advancement of technology is being made. It inspires me do something in the medical field. In this way, I may also serve the humanity. So, in order to fulfill my desire I want to become a Dakshana scholar and hopefully attend AIPMT.

If I qualify AIPMT, I would be selected for studying in a good medical college. This would provide me a chance to explore more and more biological world.

I would also be able to serve the society as a doctor. I have experienced that helping somebody is the thing which gives me relief and happiness.

Consequently, I want to make career in medical field.
