The Dakshana Foundation

Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend IIT because this foundation provides one of the greatest opportunity of our life for the twinkling stars of our country which are impoverished and cannot bright properly or express their talent. And I think that I'm one of that stars. As I am from a backward family this selection test and foundation is very much important for me. Through this 2 years of grand coaching I can sharpen my mind and gain a lot of knowledge which is very much essential for me for IIT-JEE entrance exam. By being a Dakshana scholar I will get a golden chance to prepare for IIT-JEE, I think through this coaching I can achieve my goal and fulfill my parents dream and their hope from me. I want to be an IITian because I want to create a new world for our country and make our country a developed one. I want to fulfill people's dreams and expectations from IT engineers. Dakshana foundation provides free coaching and other different

academic facilities for impoverished students like me which is very much important for me because without the help of this foundation I was unable to take IIT coaching because it is highly expensive and unaffordable for me. And I'd unable to prepare for IIT-JEE ~~but~~ this foundation provides a golden chance for coaching. That's why I want to be a Dakshana scholar. I have very much interest in chemistry, physics & Maths & I'm curious to get a lot of knowledge on these subjects. I think that I will get all these knowledge through IIT-JEE. But by getting a chance to appear Grand Dakshana selection Test I'm thinking that my dreams are coming to be true but for it I have to work hard and concentrate only on studies. Through this foundation & by being a Dakshana scholar I will surely get a latest education and knowledge by which I will surely get selected for IIT-JEE which is very much important. to make me a brilliant and future ITian of our country. I will try to build every person's dream.
