Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because this has been a long-cherished desire of mine for past five years ever since I joined NAVODAYA VIDYALAYA SAMITI, JNU, LAKHIMPUR KHERI AS A STUDENT in class VI. My ever-compelling desire was to sit in Dakshana Selection Test and got selected in the same. For that purpose, I had worked hard with my science and Maths. Fortunately, I got to sit in the selection Test. My heart had been throbbing throughout the month of July and I was quite full of thrill. I am entirely destined and resolute to make it to IIT-JEE. 2012. I have already made up my mind to score higher and highest during the course of these two years of coaching. My mentors, ie, Dakshana Teachers, would show me the way to achieve my goal in due course of time. Their guidance and motivation enriched with love and care would certainly help me hit the target in time. Dakshana Foundation has produced a considerable and good number of IITians in previous and for last few years and I hope I will be one

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)

of the IITians produced in 2012 by Dakshana Foundation. Not only I hope but I have planned several strategies, time management skills, sitting skills, practical techniques and much more also for the same. Dakshana Foundation would provide me with a good environment of study, material and direction, which otherwise would not have ever been possible. I am very thankful to Dakshana Organisation for providing with such facilities as would help me to go towards my directed and cherished goal and becoming would be IITian in the future.
