### **Application for Dakshana Scholar**

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500).
2. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
3. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
4. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I'd like to become a Dakshana Scholar and hopefully attend IIT because ~~it~~ if it is well known to all that IIT is the topmost institute for the study of engineering. And it's my target. But before becoming the Dakshana <sup>Scholar</sup>, I was not knowing about IIT-JEE. It's only Dakshana due to help which now I am introduced with IIT-JEE. I am very much thankful to Sesi Polerai Sir and ~~to~~ also <sup>to</sup> Ramesh Sir due to whose help now I am in the way to join IIT. Before this I was not knowing that why students use to left Navodaya after 10<sup>th</sup>. But now I understood that preparation of IIT-JEE starts from that point where the syllabus of CBSE ends. My these sentences ~~use~~ means that my juniors who wants to become IITian must left Navodaya. But I want to give suggest my juniors that ~~if~~ they have fixed their any goal they should know about it fully. I'm confident that I will join IIT in 2019. And one more thing that I've thought is that I will donate a part of my income (You can use this form or a separate piece of paper. Please submit the essay in your own handwriting) for those students whose economic condition is not good. Finally, once again I want to give thanks to ~~Dakshana~~ <sup>Page 5 of 5</sup> team due to whose grace <sup>dakshana</sup> I'm in the way to join IIT.
