I'd like to become a Dakshana Scholar and hopefully attend IIT because _____

I want to be an excellent engineer. I want to be successful ~~to~~ in my aim. For which well guidelines and coaching is needed along with hardwork. Dakshana Foundation provides these both the things free of cost.

To get admission in a very good institute of technology, I must have to crack IIT, for which Dakshana Foundation gives me lot of support and help. I am very-very Thankful to Dakshana, to provide me such a nice opportunity.

Dakshana facilitates us with very best and experienced teachers, lots of helpful books which are expensive. It (coaching) would cost very high if I do it in any private institute, which cannot be afford by my parents. So this is a golden chance for me to crack IIT and complete my dream. After being a Dakshana scholar, I can hope for the best. Again, a lots of thanks to this Grand Dakshana Foundation.
