Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I have a very strong desire that I want to become an engineer not ordinary engineer hopefully to be an IITian from my childhood. When I qualified JNUST exam & enter Navodaya. This event was a small turning point of my life.

One of my teacher in Navodaya told me about Dakshana Foundation. What it was? A question mark was wounding in my brain. Then I gather information about Dakshana Foundation. & I found that this is a very hopeful & helpful world class FREE JEE coaching programme for poor & talented Navodayan like me.

I belongs from a lower middle class family. In which my father is a shopkeeper with a small shop & my mother is a nurse. That's why my family can't fulfill my efforts to attend a private first class JEE coaching. Hence this bring me a strong desire & my first target to qualify JNUST exam & become dakshana scholar. Dakshana Foundation is like a 'Pinkpricks in a vast Ocean' for me.

& become a Model of my family. which family have not even a single IITians or NITians & for my society. I want to created a curious of education in them that what is the power of education.

I want to change this dreams to reality. For these dreams of my life I have to do hard working as well as smart working in my study for these year of Dakshana. Dakshana Foundation migrateed the dakshana scholar from their part to other part of the country India. That's why a dakshana scholar learn how to adjust in a other tradition, other food items & how to manage a difficult situations. There fore these two year is the hardest two years of my life. which brings me a colourful & Flamarus life in my future.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
