Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I aim to become an engineer by qualifying IIT.

Since IIT is a hurdle for the students who didn't have professional coaching to qualify it, especially for Navodayans.

But Dakshana foundation has come forward to give professional coaching of IIT for Navodaya students to qualify IIT. I heard that Dakshana foundation is achieving a good result in IIT-examination every year and also one of my senior of my Vidyalaya has qualified IIT-examination under the coaching of Dakshana foundation. I hope, I can also get through IIT. IIT is now under the coaching the Dakshana foundation.

It is a big opportunity for the Navodaya students, who didn't used to get professional IIT coaching, before. I have got an opportunity to enter your institution and I don't want to miss the

opportunity.

Since in Dakshana foundation, every beneficiary is benefactor, so I will promise to Dakshana foundation that when I will settle in my life due to Dakshana foundation's BBT-coaching, I will work as a supporter / asset for Dakshana foundation.
