I'd like to become a Dakshana Scholar and hopefully attend IIT because Nowadays Engineering sector provides most prestigious jobs. Since IX class I started preparing to crack the IIT-JEE examination. IIT is one of the renowned institute of India as well as the world. I will feel proud to have B.Tech degree from IIT. Engineering is my passion. I feel this profession will comforts me better than other jobs.

Though my economical condition is not much good. My father is a farmer. It is not possible to him to ^(bear) defray all my educational defray. In addition I have four younger sisters remaining to married, so It is good opportunity for me to crack Dakshana foundation entrance exam for 2 yrs integrated IIT coaching.

Navodaya helps me a lot to shape my talents and whatever potential and ability I had. I thanks to God that he sent me here for getting higher education. Here I found good teachers and good friends. They also touch my life in somewhere by someway.

Its my burning desire to be a Mechanical Engineer And certainly I think Dakshana will help me to realise my Dream -
