I'd like to become a Dakshana Scholar and hopefully attend IIT because as you, me and everyone know IIT is one of the best institute for engineering in India. Every student have a dream to crack the exam of IIT-Jee and join IIT college. Every Mathematics student wants to join IIT only, nothing else.

For this everyone need a great support, great coaching institute, great learning atmosphere, great facilities as well as great money also. and for the student like me can't afforde to join such expansive ~~state~~ institutes. we know that there are more'n more private institute for IIT-Jee coaching but they are too expansive. I'm from a poor family can't afforde to give me such expansive coachings. as Dakshana foundation is concern. it is the best institute for the student of poor family, which gives a best atmosphere, best facilities as well as best support and best knowledge, very deeply for each and every topic.

from my childhood I have dream to join IIT and crack the exam like IIT-Jee. and prove myself in front of the India. after becoming a Dakshana scholar I feel like I get a best platform to show myself and prove myself.

After being an IITian I want to help my country, my juniors, my family, my society and the student who wants to join IIT.
