Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend ^{AIPMT} ~~HT~~ because _____

since childhood only I have an aim to become a doctor and serve my country by giving them a very nice treatment and make them fit and fine. And my parents also want to see me as a successful person in my life being a doctor. So, to become a doctor I need to study medical course. And for this I have to appear an entrance exam i.e. AIPMT. If I qualify this exam, I can study the further medical course. So, I have to prepare myself in a well manner for this exam. So, when I heard about the Dakshana Foundation I felt very happy that if I become a Dakshana scholar then I can get a free coaching for AIPMT in 2 years along with my +2 science course. By this I can save my extra time period for coaching easily. If I would be reading anywhere else it would take 2 years for studying +2 course and more years for doing coaching. Here I can do two things at a time. And I can also save

the expenditure that would have spent beside me. And I can also get a very high standard of coaching. So, to become a Dakshana scholar is a benefit for me.

And I am sure that they would provide us a very high faculty team of teachers and other necessities. And I know that they would make us a very worthy candidate for AIPMT.

And I think that by a little hard labour of myself I can achieve my goal easily.

I have great hopes from Dakshana Foundation. And luckily, I become a Dakshana scholar.

I am very grateful to all the Dakshana members for selecting me as a Dakshana scholar. I will try my best to fulfill the aim of Dakshana Foundation.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
