## **The Dakshana Foundation**

*Application for Dakshana Scholar*

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, **ALL** of the following conditions must be met:

1. You have cleared the entrance test of either Bansal Classes, Career Point, Resonance, Insight or FIIT JEE and done well enough for the management of the institute to confirm to Dakshana that the odds of your getting into IIT after 1-2 years of coaching are 25% or better. For example, at Bansal Classes, there are about 10,000 students who take the Bull's Eye entrance test and 2000 are accepted. In order to meet this criteria, you would need to have ranked in the top 25% of the 2000 accepted (1st 500).
2. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
3. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
4. You fully meet the IIT JEE Eligibility Criteria. See <http://www.jee.iitb.ac.in/eligibility.htm>
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the above mentioned criteria to apply for being named a Dakshana Scholar:

(you can use this form or a separate piece of paper. Please submit the essay in your own handwriting)

I'd like to become a Dakshana Scholar and hopefully attend IIT because my aim, my dream (in my life) is to be a good engineer and along it I also want, to sincerely, to serve my country. As at present every one wants to become an engineer through IIT. I am also one of them. But to actualise my this dream it is sure that I have to attend a good coaching centre through which I can able to fight the toughest compition of India viz. IIT-JEE. I think there is hardly any one who don't know that today or at present the school fees or coaching fees are touching sky. The directors of these ~~trainig~~ ~~stud~~ institution are there only to make money. They never care about the thinking or feeling of a students. In such cases students are not happy them. I also want to do something good for my country & want to full fill my parents hopes. But for these all I have a craze or I am crazy about engg. It is also clear that without some special training it is a bit difficult.

Beside it I belong to a village and my father, ~~is~~ a simple and low achiever, professionally a carpenter. I think they may not bear such a large expense on my study. They have to fulfill household material and have to put something in the ballies of my family members. ~~But~~ I ~~to~~ am very, happy now because of GOD ALMIGHTY. He has given me a chance to actualise my dream. Also, respected ~~is~~ Dakshana foundation's father, who has ~~ser~~ given such a good facilities to us, is a great donar. and have donate ~~to~~ me or us a good golden & bright future. Now I am hopefully attend ~~this~~ the coaching provided by Dakshana foundation. ~~I want~~ <sup>will</sup> to say one thing. that at present when all around the country students are an object to earn money but Dakshana Foundation has given money to sts. such a great thing different, very different from others. I think to say. "a winner" to the found. will not be so more because it is saying that "winner don't do different things but they do things differently". Now I am here to put my sincerely efforts in study & to work hard. Actually sir, I am very grateful to you, will remains always in your contact to facilitate D.F. at present & in my successful future.
