## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I love medical science and it is my aim to become a renowned doctor and make my family, society, community and myself happy. AllMS for is the ladder or the pavement towards my goal which is to become a doctor.

My further aim is to make medical facilities affordably available in my rural society which could be fulfilled if I become a good doctor and also inspire others to aim for the same.

I get every help and support from my parents, relatives and teachers to go in the medical line and they all hope to see me become a doctor before they expire. I know that their prayers and wishes are always there with me and with them I commit myself to work hard and fulfill their dreams as well as mine. At least I want to try, I want to try even though I could fail. And as per as I'm

P.T.O

concerned, 'failure' do not have to hang around me as long as I'm a 'Dakshana Scholar'. It is truly a thing to be confident about when a student gets a good teacher; and hopefully for me I have had all the best teachers in the world 'yesterday' and today I think is going to be the same for me as well for the other students.
