The Dakshana Foundation **Application to Become a Dakshana Scholar**

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it's my aim and a longing desire that haunted my internal feeling from childhood. I want to contribute myself as a part and parcel towards the development of my country who is brought up from one of the best institutes that the nation have.

Becoming to be an engineer mindset as a student change my style because it compelled me to spend my time in study instead of spending time with those activities that does not relate with my aim.

I also feels that becoming a student from any of the IIT's I could gain the maximum knowledge that my potentially permits and implement those issues for the development in the areas which I can do it whether it may be on large or small scale. and thereby would feel myself contributing for development of the backward areas which is the ultimate progress for the whole nation. This designation as an engineer will provide a strong backbone for recovery of my family who suffer generation to generation due to lack of education or educated aspirant.

Those internal feelings were just a dream for me which is quite impossible for a student who is brought up from such a backward and remote areas with financial crisis without proper income. But Dakshana realise me and give me hope and makes me excited which is ofcourse the ultimate blessings I get from Almighty God which I prayed for this since my childhood. My dream of becoming an engineer will now only depends whether my ability and intelligence allow me. The problem of financial condition in my family for such dream were whitewash by Dakshana foundation that it changes my total life of being feeling myself a depressed aspirants of IIT. I am now truly a tension free aspirant for IIT and I give thanks to Almighty God for his wonderful blessing he shower upon me ~~by~~ with this Dakshana foundation which is of course according to me is the plan an art of God. I am also feeling proud to be under the care and supervision of a God bless organisation Dakshana.
