The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because _____

3005 Myakala Venkatesh of class XI-B has been taking the coaching of IIT-JEE in JNV Pune which has been given by the PRIME ACADEMY [DAKSHANA].

I say that I would like to become a Dakshana Scholar hopefully and attend IIT because the first reason and the top most reason that to become an IITian and see all my family members happy.

My great belief about a thing to serve the country is not only a thing that you can do after you become a great person. Everyone can serve the

country if he had a feeling of patriotism. I think and I do everything to fulfill my dreams. When

I was a child my parents used to say that they want to see me as an IAS officer. When I was at the age to school. My whole interest was turned up

to the Mathematics. Even I don't know what it JEE till I was in 10th class. But I thought that it is

a competitive exam which was written by all the students of who had completed their XIIth class in

all over India. I thought it is just a competitive exam.

When I was deeply known about it and saw many

people want to get into IIT's in different places to fulfil their dreams. I got a thought of IIT that it is the heaven to fulfil the dreams of anyone. So, I got a feeling to compete with the students of my age in all over India and see my place (potential) where I am and continue my future. When my senior got first selected in Dakshana I got a thought to take the coaching of JEE by Dakshana then only. When I have completed my 10th class and took my results my sister used to say that there were so many 10th class students in all over the India. You should compete with them and prove that where you are. ~~in~~ where is ^{your} place among them. I decided to crack JEE first and take the coaching of JEE by Dakshana. So, By my luck or hardwork I had selected to take the coaching of IIT-JEE by Dakshana. So, I promise and say that To fulfil my and my parents dream and to see my parents ahead and also get into IIT. I will assure that I will put my whole efforts behind the support given by my parents, my sisters, teachers I will try hard to for ~~these~~ these two years to crack JEE for the year 2016 and get into the best IIT to fulfil my dreams to make my family members happy and keep their head ahead in the society.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
