I'd like to become a Dakshana Scholar and hopefully attend IIT because Dakshana is very good institute and I know that my Aim is to become IIT Engineer is achieved by the help of Dakshana foundation. I heard about Dakshana coaching since 2 years and I had desire to become a Dakshana Scholar & hopefully attend IIT.

I had like to become Dakshana Scholar because, Dakshana foundation is such a Institute that gives free IIT coaching to Navodaya's (childrens) students and to help them to achieve their goals.

I Think Dakshana gives us a golden chance to make our future and when I was in 6th standard I used to listen elders talking about education system, and what is done after 10th to get good marks and rank and good college for further studies. then when i was in 9th standard my teacher told me about Dakshana foundation and she also told me that IF you want to become an IIT Engineer then u must take try to take

admission in Dakshana coaching, and from that time I am trying to take admission in Dakshana coaching, and today I thought my dream is fulfilled by the help of Dakshana foundation.

That is why I had like to be an Dakshana scholar.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
