The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. VIBHUTI VATS

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it is the most prestigious institution of our country and is the dream of a student. I ^{always} wanted to be a part of Dakshana Programme because it is a solid platform for a talent to make it through IIT. Being an IITian gives an internal feeling of happiness and contentment. Any Parents would love to watch his child studying in IIT and it is a good thing for one's society also. Dakshana is giving a golden opportunity to students by providing proper guidance and high - class coaching facility required to crack IIT entrance examination. I would like to crack the exam and get an opportunity to attend the prestigious IIT. Completion of engineering course from IIT is just like 'dreams come true' for any one. So being a student I would also be excited if I get this golden chance. A colourful future is always waiting for an IITian. He or she gets ~~an~~ enough career options or job opportunities because of

being an IITian. It's like heaven to feel the value of being an IITian. Most of the leading business faces, industrialists, well-known educationists, economists belong to IIT and it shows the real value of IIT. I am quite impressed by famous author Chetan Bhagat who is also an IITian, so I also want to become an IITian and make my life successful. My parents will be the happiest ones if I do so. So, It is not only my desire to attend IIT but also my family and friends want to see me as an IITian. I want to fulfil my dreams about my future. It will help both economically and psychologically to me and my whole family. In IIT, the quality education gives the student a different view of thinking and Creativity which consequently helps the nation also, because the youth generation does the innovative and new things. That's why IIT is the one and only ambition for me.
