The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to be a good and brilliant minded engineer. I want to uplift my society by my new techniques & want to improve it. Also I have always thought of being an IITIAN because they led a very devoted life to labour. They have a very great impression on others and are the building blocks of the society. One more reason is there, that I want to support my father financially more and more. So on being an IIT engineer & joining a good job, I can do that. As far as my parent's life are concerned then that is very laborious. I want to make it comfortable & nice. Apart from all these I have a dream of studying in IIT-~~xxx~~ with the

brilliant minded people of India.
Again I emphasise on being a
good scholar so that I can fully
devote myself to the society as
a useful thing. I have my own
ideas & many new things to
be given to the society. So I
want to take the IIT-JEE
exam & crack it as I should for
my dreams, aspirations, my family
& everything I do possess. It therefore,
want to be an IITIAN.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
