Application to Become a Dakshana Scholar

Full Name WAIROKPAU PREMKUMAR SINGH

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

I'd like to become a Dakshana Scholar and hopefully attend IIT because

As I am a poor student, I have paid a grateful thanks to the founder Dakshana scholarship for such a big wonderful work for the fulfillment of student's who wants to become IITian but were not able to become because of their financial problem. As I am born in a poor family my family cannot afford me to turn my dream into reality.

In fact it is a kind of work with a huge amount of capital for the upliftment of poor students like me. The founder spent a huge amount of capital for us (scholar one) for getting into IIT. The founder Dakshana scholarship is a messenger to poor student just like me. Due to weakness in financial aid I cannot get proper tuition and books which are required for getting into IIT. But Dakshana have spent a lot

of money for us. I think it is
good foundation given to poor student
for getting into IIT. With these scholarship
students were given book free off course
and were given coaching & with high
grade faculty. If I become a scholar
of this scholarship I think my dream
will become true. With this hope
I am getting into this scholarship. With
this I can get a huge opportunities
like other rich students who were
getting into very famous coaching centre
by spending a lot of money.

I proudly say that the Founder
Dakshana's scholarship has a very kind
act of charity for students like me.
For me you are just like a
messenger sent to me by from heaven.

May God bless you in all your
steps and have a long life. You are
not a man to me but a kind
of god to some all. Long live
DARSHANA and will last forever.

Thanks.
