## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because IIT is my dream. I want to become a mechanical engineer from IIT Delhi. This is not to go foreign and earn a lot of money. This is for to make the india smart. I want to make india first smart country in the world. I want to make india able to make and discover and invent new things. I am happy to become a Dakshana scholar because my family cannot afford the money to send to me to Resonance like coaching center. My father has a sufficient salary but we have two home loans. So half of the my salary father's salary spent to pay monthly to the bank. And I have a elder brother and a sister those are also students. So nearly all of my father's salary spent in education and monthly payment of loan. So my family have nothing to spent to <sup>send</sup> me Kota. Dakshana is a platform for me to crack IIT JEE. I work hard with technique and in right direction. In dakshana

I will get companionship of competitive friends. ~~He~~ I will work with them with ~~the~~ the creativity and skill of working together. In dakshana I can sharpen my ~~sp~~ skills and do work with precisely and accurately. After IIT I will join ~~an~~ NASA for five years. And I'll come back to india. I will ~~research~~ research for india to discover new way of improving life of india's.
