Full Name ABHISHEK DUGGAL

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because my background of family is not very nice. My father is bigger in family. The all family members survives by my father's ^{income} family mostly. I have my grand father and grand mother, who can't survive with any help. My father is a S.U.P.W. teacher in JAWAHAR NAWADAYA Vidyalaya DEVRALA (Bhiwani) HR. I have two sisters, I want to fulfill the need of my parents and grand father and mother. They are hoping that I can become an IIT-IAN and can fulfill the all needs of family. I have loving parents, they want that their son should shine their name in Society, and also works for the progress of Backward Poor Peoples of India. If I should get the opportunity to select in DAKSHANA - under 40 students, then I can imagine about my ambition in life. My father is 45 year's old and my

Mother lives with my grand father and mother for their help in old age.

my one sister is studying in Govern-ment schools. my father do so much hard work for J.N.V. Since 1980, I know the actual figure of my parents, they love my grand's so much and can do everything for them as they can do.

But, I also want to put the train of my family on the track of progress. I have 4 uncles, which are not getting nice job. they do temporary jobs, like Tyre funchouse, driver and watchmen. they have their family and do not support my Grand's.

I want to do that thing from which this world knew me. Now I realised the Actual meaning of DAKSHANA. it is a golden opportunity for me, I am praying to god that if he could help me then I can do everything for my family, Society and nation. From 6th class after admitting at J.N.V. I have an Aim that "I want to lead this world" which can be possible by DAKSHANA. I hope now you can understand me self completely.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
