The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NIS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verification. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance of a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because _____

the day when I selected in JNUST and I joined the school then I came to know about the Dakshana. from that day ~~this~~ it became just like a dream for me, as I belongs from a middle class family so I didn't want to give any economical pressure on my family for the preparation of IIT-JEE in any other private coaching. And I also know it very well that my farmer father (who is a farmer) is not in the condition to pay this huge amount for private coaching. thus I made my plan and also decided to work hard to get selected in GDST. Now when I got selected for it, then I again decide to work more haed to crack ^{IITJEE} ~~my~~ • ~~crack~~ IITJEE - 2017. I want to attend IIT to become a person who can support those students who are not able to fullfil their dream: due to economical problems.

I would like to do it, because I ~~can~~ ^{would} also be one of them who witnessed it in their society.

I know very well that my father, mother and my all family members have a lot of expectations from me and I also committed to dedicate myself to achieve it.

At last I would like to say "Thanks" to all the 'Dakshana' group, who give us chance to fulfill our dreams and I also commit you that I will ~~to~~ give my 100% and also work hard for IITJEE - 2017.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
