## The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

## ANIRUDH PRASAD

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because It is my deep desire to be an IITian. ~~By~~ After cracking the JEE I want to serve our society.

I belong to a poor family. My family income is not so much that I can teach in any institute which taught for JEE. But Dakshana provides this facility to poor fellows, who want to be an IITian but can not get any proper guidelines in this way. Dakshana fulfills this.

There are many Dakshana scholars who got better rank in Advance. In 2011 one of the Dakshana scholars got 63<sup>rd</sup> rank in JEE.

Dakshana provides a lot of materials, the members of this organisation always motivate the students. Students get inspiration & obey the rules, they become more competitive & finally can crack IIT-JEE with a good rank.

when I heard about Dakshana, I also wanted to be a dakshana scholar. when I saw the result of GDST-2016, I excited, became more happy, because I would have not get such a opportunity.

I hope that I will crack JEE, with a best rank & for this I will do <sup>hard</sup>work as possible. ~~an~~ After being an IITian, I will serve our nation.

I am very thankful to Dakshana for giving me such an opportunity to fulfill my aim.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
