## **The Dakshana Foundation Application to Become a Dakshana Scholar**

Full Name ARIBAM ANAND SHARMA

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

## ARIBAM ANAND SHARMA

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it has been said that IIT is very hard to attend since the Joint Entrance Exam of it is very tough. To get through the exam it has very much need of coaching for a man like me. This coaching needs huge amount of money which is beyond the effort of our parents. If I become a Dakshana Scholar I will be getting the coaching fee of course. It will also provide all the required materials. I hope it will give enough coaching to get through the IIT Joint Entrance Exam.

I as an Engineer wanted to work in abroad which would enable me to earn a bigger income. I wish I could + could do something for my society like Mohanish Pakrai. I hope a Dakshana Scholar can do it easily.

If I become a Dakshana Scholar it will make me stand on my feet. That time I will be very glad because I will be helping those scholar like me by a share from my income. Dakshana Scholars will become an IITian and their will be a lot of IITian from the look and corner of India which will brough India's development in the field of engineering.

Another thing which make me want to attend IIT is because my family want engineer very much but they could not do anything because that time there was no as Dakshana who would help them. I am will be fortunate if I become a Dakshana Scholar. For the fulfilment of my dream and wish want to attend IIT hopefully.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
