### The Dakshana Foundation Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because The dakshna  
Foundation provide good coaching to the brilliant  
students for IIT JEE Mains & Advanced . According  
to my thinking one must become dakshna scholar  
to attend IIT JEE and qualifies in it .  
Dakshna provide fully free coaching to the  
poor students and help him to become  
IITian . Many students want to become  
IITian But they don't have much money to  
expand on coaching . Dakshna foundation is  
a solution of their problem . This is  
the thing that can fulfill their  
dream . Dakshna not only provide coaching  
but give good results in IIT JEE .  
Many students become IITian by coaching  
in Dakshna Foundation . Dakshna is all  
for me because it is my dream that  
I become dakshna scholar . Now Question  
is why this is my dream? So Now I give  
the answer . I want to become a software  
engineer . To become a software engineer  
I want selection in IIT . But I hear

that IIT JEE is very difficult exam.

Coaching is very essential for it, and the coaching is very expensive. Now Dakshna is the only way, and for the Dakshna I have to clear GPST. I hope that I clear GPST and become dakshna scholar, and after becoming a dakshna scholar, and coached by dakshna foundation and with my hard work I can go to IIT and fulfil my Target, and after getting my target I can give help in the development of country.

So at last I want to say that Dakshna is helping in the development of country by providing coaching to poor scholars. So Dakshna Foundation is an important foundation.
