Full Name ASHOK BHIWA BARSAGADE

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

# Ashok Barsagade

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because it is golden opportunity for me to fulfill my and my parents dreams. Because in this modern world the student from rural areas or from poor families can't give such a high level entrance exam's because of their poor conditions. So they can't do anything, having good talent too. But Dakshana provides all facilities to those students who are not so good from family background. So this Institute can change their life by helping them so much.

I want to become an Dakshana scholar as it is turning point for me in my life. If I got selected in this I would do more hard work to cross IIT-JEE. & If there also I got selected then I would be very greatfull to Dakshana by which I would be an engeneer. I would like to open such an institute like Dakshana for those students who are not well in their families for this I want to ear more monies by becoming IITian & I can become only if got selected in this

entrance exam so I thought this is too big opportunity for me to put our dreams in real life.

I want to attend IIT & become IIT-an There are many reasons firstly I want to earn more money for my family, of course because I got many shocks because of our poverty secondly I want to do some extra-ordinary work for my country to bring my country to the top of the world & I would like to become an inspiration for those students who are suffering from poverty.

Really Institutes like Dakshana are needed to develop the minds of good students to develop the country this Dakshana is doing very excellent work for poor students and motivate them to attend IIT. Then who will be not want to become the scholar of dakshana. Really Now my first limit to get selected and become an Dakshana scholar. and then the next step is to attend IIT. Definately I would help Dakshana if got selected in this in many cases. I once again I would like to say thanks to great DAKSHANA!

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)
