## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend a premier engineering/medical college, but cannot afford to be coached professionally by a world-class coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Navodaya Dakshana Selection Test (NDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and school staff interviews, peer, neighbours, school alumni and direct verifications. Should any information be found to be willfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana scholar and /or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

I'd like to become a Dakshana Scholar and hopefully attend Engineering/Medical college because Being Dakshana scholar is very important for me beas I want to get admission in AFMC. I want this scholarship because of my own well education and also for other reason like not a single girl in our vidyalaya from the estasilstment had passed out this examination yet not a single name of girl is written on our school board. so I want to become the first girl to be there so that no boys can make fun of us. Also after getting selected in Jawahar Navodaya Vidyalaya I had never met a big as well as small achievement, In my whole life my first competitive examination was of JNVST selection test after that I wrote many other exams but I was unable. so This ~~was~~ is my second big exam which I really want. And I will make sure that my next examination would be AIPMT, through Dakshana. Dakshana provides us free education system as well facilities, however there are other institution which provides us facilities and education but all about wastage of ~~money~~ money. I want to prove my parents that I can do it. My father is in a very well posted job yet he is able to provide us all facilities. but I want to compensate him through this

free education for all those things that he and my mother had given to me. I also want to become a successful doctor for my parents. Inspite of this Not a single one from our home or family had become doctor now. However my brother and sister both had tried and still trying for various examination but they failed to which my father was very sad and angry. He has a lot of believes <sup>make</sup> in with me that I can do something and him proud. I want to prove my teachers who thinks, I can't because of others reasons. I want to prove my seniors and at last I want to prove myself that I can do it.
