

The Dakshana Foundation Application to Become a Dakshana Scholar

Full Name DEBABRUT BHUYAN

Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because the present day is the era of technology. It has changed man's life from a gatherer to a master of science. But our country is still lagging much behind in the competition of technology with the other countries of the world. The IIT's provide the boon of knowledge to create new inventions in this field. -

I as a citizen of this country wants to make my country no.1 in this field. And this dream can only be fulfilled in the IIT. But the obstacles for the fulfilment of this dream are very high.

The first and the most important obstacle is lack of money to afford the coaching classes. Thus, without this classes it is rather impossible to become an IITian. That is why I want to become a Dakshana scholar. Because Dakshana offers free coaching classes and books. Due to the heartfulness of its founder and chairman Mr. Mohini h Aberoi our dreams

to take our country ahead would come true.

The teaching standard of Dakshana is very high and it has the credit of creating many perfect technicians who have made our country proud.

That is why I and many more aspiring students want to become a Dakshana scholar to serve my country.
