Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

MOHAR SINGH

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because my keen desire is to have planned, routinized and directed study. I know that the economic condition of the family I belong is not so good so that I can have a good study. But, now a ray of expectation has been raised by Dakshana. I am very thankful to Dakshana because this Dakshana Foundation is really the foundation of a good society, the society of those students whose not in the position of having good study but they really deserve it because they have talent, determination, will power of struggle. Now, it is the first step which every such type of student sees in dream. He thinks that somehow his study should be completed and in the session of study his every work will be in the direction of success. Then, he will earn a good economic status in society so that he will also able in doing the same thing which is being done by Dakshana. My this dream is going to be a truth because in my real need I have found Dakshana Foundations. And I am sure that this Dakshana will be the biggest successful coaching institute.

(You can use this form or a separate piece of paper. Please submit the essay in your own handwriting)

Because Dakshana is not a place of Business. It is ~~the~~ different from other coaching institute. It is having humanity, students who are not strayed by other factors, they only directed to their goal.

And when Dakshana will have produced a team of successful students then surely they will rise Dakshana to a great altitude and or height from where every poor talented student ~~is~~ would say that study do not require money, study requires only great determination and talent.

And this message will be to those rich persons who are only engaged in earning money.

And then no poor student would say or think that I should not study. Every poor student will study in a good manner.

This is my dream and to fulfill it I want to become a Dakshana scholar and then an IITian.

My message to Dakshana is that

the first step have been raised by you and ~~not~~ now fulfilling the above mentioned dream is the work of ours, Dakshana Scholars.
