## The Dakshana Foundation

### Application to Become a Dakshana Scholar

Dakshana Scholars are brilliant, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of coaching fees and books. In order to be eligible to apply for becoming a Dakshana Scholar, you must be invited to appear for and qualify in the Grand Dakshana Selection Test (GDST). The decision of Dakshana in this regard is final.

Dakshana reserves the right to validate the information provided through various sources including NVS records, Principal and JNV staff interviews, peers, neighbours, school alumni and direct verifications. Should any information be found to be wilfully falsified, Dakshana reserves the right to deny acceptance as a Dakshana Scholar and/or terminate coaching at any time after it has started.

I hereby do attest that all of the information submitted in this application is correct and authentic and that I meet all of the criteria mentioned to apply for being named a Dakshana Scholar:

SAMPRIIT SHEKHAR JAMBHULKAR

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because IIT is my goal and it can be achieved by using the golden chance like to become a Dakshana scholar. Dakshana is a medium to change the whole country and I want to do this by cracking IIT. I have heard so many things about IIT's specially IIT PAWAI by my cousin and from that time only I wanted to join IIT PAWAI ONLY. My first aim was an Engineer through the IIT PAWAI. Dakshana is very easier medium to let me go there.

Since, my aim is to become an IITian through PAWAI, Dakshana Foundation has to come in my path, because IIT PAWAI is waiting for me since so many years. I am promising to Dakshana that I will crack IIT and make your ambition successful from my end.
