Dakshana Scholars are gifted, but impoverished students who aspire to attend The Indian Institute of Technology (IIT), but cannot afford to be coached professionally by a world-class IIT JEE coaching institute. The Dakshana Foundation provides comprehensive scholarships to gifted/impoverished adolescents who meet our criteria. These scholarships include 100% of tuition, boarding, lodging, books and incidentals. In order to be eligible to apply for becoming a Dakshana Scholar, ALL of the following conditions must be met:

1. You must qualify in the Dakshana IIT-JEE selection test and personal interview. The decision of Dakshana in this regard is final.
2. Must have atleast a 75% average in Physics, Chemistry and Mathematics for every year (9th through 12th standard) that the applicant has completed.
3. The total typical household monthly income (total income of all members of your immediate family) is under Rs. 7,000 per month.
4. The total assets of your immediate family (including any savings, real estate or property) is under Rs. 1 Lakh.
5. The Dakshana Foundation believes that the beneficiary of aid today is the donor of tomorrow. We believe that helping gifted, impoverished students get a world-class education has a very high return on invested resources to the individual, the family and the entire community. Dakshana Scholars have a voluntary moral (but not a legal or contractual) obligation to donate 10% of their monthly lifetime earnings back to the Dakshana Foundation to fund future Dakshana Scholars. They could also choose to give to any other charity of their choice. Or they can choose to give nothing. The choice is yours and we accept whatever you decide. After a few years, we fully expect Dakshana to be sustained and grow from this voluntary giveback and help an increasing number of impoverished and gifted children every year.

to emerge as the best. The Dakshana foundation is like God for the student like myself. I am willing to be a member of Dakshana family and do the same as Dakshana is doing for me and student like myself. I think in the negligence of Dakshana my my thirst desire will remain only a dream. So please give me a chance to prove myself so that I could become an IITan and give my best to to society and the country. After become an IITan I will serve the country and try to improve the life standard of the people who are living under grim poverty. After becoming IITan I will donet for The Dakshana foundation and the foundations like this to improve the poor talent who are really needy for such aids. I am confident that through dakshana foundation I will fulfill my dream and also will do my best to meet the desire of Dakshana "The God for me".

Please write essay (in English or Hindi) between 300 - 500 words which begins with:

I'd like to become a Dakshana Scholar and hopefully attend IIT because I want to see my mother India as a developed country and a role model for the world over till 2015. I want to sacrifice myself for the upliftment of our country. I am hopeful that my long cherished desire is going to be fulfilled through the gift of outstanding coaching institute "The Dakshana Foundation". If The Dakshana foundation give me an opportunity to realise my dream (To become an IITian) I will do my best for the society, for the country, for the generation to come. I think there are a lot of talents in villages who are victims of rampant poverty and although they have desire to mould India in a better manner but due to lack of proper platform, and economical wellbeing, they are not able to contribute what they want. In my view The Dakshana is doing remarkable, uncomparable effort for these talents to
